

# For shutters made to last, choose Blockout.

Blockout Shutters have been designing and manufacturing shutters to withstand our harsh Australian climate for over 25 years.

Blockout's product range includes shutters that can be incorporated into your building structure to provide optimum aesthetics, strength, insulation, durability and security.

Features of Blockout Shutters include:

1. Custom made to order from quality aluminium.
2. A rigid inter-locking and dual locking system that provides maximum security at all times.
3. An efficient motorised operating system.
4. Thorough factory testing before installation.

Call us today on 1300 368 988 to arrange for a free quote or visit [www.blockout.com.au](http://www.blockout.com.au) to view our complete product range.
