FIRE BLOCK™

BAL-FZ BUSHFIRE PROTECTION DESIGNED FOR AUSTRALIAN CONDITIONS

BAL-FZ Bushfire Protection

High Security

Improves Insulation

Designed & Built in Australia

FIREBLOCK BAL-FZ BUSHFIRE SHUTTER

In Australia, bushfires have been an annual occurrence; with millions of hectares burnt and thousands of home destroyed, lives of many have been devastated. The FIREBLOCK bushfire shutter offers the highest Bushfire Attack Level protection BAL-FZ (Flame Zone).

Australian developed and manufactured

Proudly Australian developed, engineered and manufactured BAL-FZ FIREBLOCK shutters are scientifically tested by CSIRO Fire Technology Laboratories a NATA Accredited Tested Laboratory, according to Australian Standard AS1530.8.2-2018.

Meeting the required Australian Standard for Construction of buildings in bushfire prone areas BAL-FZ Australian Standard AS3959-2018 SECTIONS 3.7 & 9.5.1.

In addition to bushfire protection the FIREBLOCK, BLOCKOUT® window shutters provide the following benefits:

- Security
- Sun / Weather Protection
- Energy Saving
- Noise Reduction
- Privacy & Natural Light Control
- Climate Control
- Increase home value

BAL-FZ (Flame Zone)

The most extreme level in the bushfire attack and represents how successfully particular building materials will withstand bushfires in regards to ember attack, radiant heat & direct flame ignition resistance.

THE FIREBLOCK SOLUTION

- The ultimate in Australian bushfire protection provided by a market leader established in 1989.
- Tested to **Australian Standard AS1530.8.2-2018** by the CSIRO with Aluminium window and standard 6mm toughened glass.
- Steel construction developed by our Australian team of designers and engineers with over 30 years combined roller shutter experience.
- Easy electric operation via wall switch or remote including failsafe override operation from within the house in the case of power outage.
- Multi-purpose practical design that can be used everyday all year round. Partially or fully open / close your BLOCKOUT® shutter to control the comfort of your home.
